Short Course

Pimp your MARUM web page – An introduction working with the Additor CMS

Dr. Christina Klose
MARUM – Center for Marine Environmental Sciences, University of Bremen

21 March 2023
15.00 – 16.30 hrs.

Objectives
→ Does your MARUM web page look a little empty?
→ Would you like to put some more content on your web page but don't know what?
→ Did you always want to start putting content on your MARUM web page but couldn't find the time or didn't understand the Additor CMS?

If the answers to one of the questions is yes, this short course is for you!

Format

Online via Zoom*
Participants will be given the opportunity to ask specific questions and work on their pages during the workshop.

*Please note that in our online workshops, we expect participants to turn on their camera for the full duration of the workshop.

Preparation
If you like, you can bring text and photos that you would like to put on your web page but this is not mandatory.

Target Group

MARUM members who would like to add content to their personal (or any other) MARUM sub page and have questions about how to do it.

Registration
We kindly ask you to register for this workshop, so we can make sure there is some interest for it:
